Centre for Sustainability and Excellence (CSE)

Stakeholder Green Code of Conduct

I _____ hereby declare that as a stakeholder within the Centre for Sustainability and Excellence (CSE), I will abide by the following environmental codes, conceived and agreed upon by CSE internal staff and affiliates, as of 31 August, 2007.

To exercise more environmental (and societal) consciousness when making purchases.

To advocate and practice conservation and recycling in my home.

Where possible, to off-set CO₂ emissions through involvement in carbon reduction and neutralizing activities.

To be educators in matters regarding conservation and recycling, and to communicate the aim of our efforts to stakeholders and clients.

To act with concern for the environment while making business decisions.

To consult with stakeholders regarding the development of common environmental and societal activities.
